

Park

The Park competition offers riders the opportunity to test their skills on a unique transition-based concrete bowl course. The BMX, Men's and Women's Park competitions will begin with a 20-athlete Elimination. Each athlete will have two 45-second runs. Final ranking will be based on the athlete's best score and the top 12 will move on to Saturday's final. In the final, 12 athletes will take three 45-second runs, with their best score counting towards final ranking.

Competitors will be judged based on aggressive execution of maneuvers, degree of difficulty, variety, continuity of run, originality and style, amplitude (height of airs) and use of the course.

The top six Men's Skateboard and BMX athletes and the top four Women's Skateboard athletes will receive invites to the X Games Minneapolis Park competition.
